Documentation regarding a construction project at Buffalo Federal Detention Facility in Batavia that was completed at this facility in late May thru mid-June of 2012. This project was a floor removal and resurface project throughout the entire facility in which certain hazardous materials may have been used and numerous detainees were exposed to these substrates. I am requesting the following information:

1. Name and Architect of the project
2. MSDS sheets and product information on all materials used
3. The materials that were originally specified to be used (in construction manual)
